PROFILE

Marketing, branding and design professional with 6 years of experience in digital campaigns, marketing automation, brand identity, corporate events and multichannel communication. Head of Marketing & Design at Greener, Brazil's energy intelligence company, leading positioning, performance campaigns, branding and communication for B2B products and events. Strong background in growth marketing, CRM and automation (RD Station, RD Conversas), email marketing, UI/UX and landing pages, webinars, and digital and print production. Implements AI-assisted workflows with ChatGPT and Claude to scale campaigns across channels and audiences.

KEY RESULTS

- Grew the lead database from 35K to nearly 79K contacts through email marketing and automation.
- 571K+ emails sent in 2025 with a 36% average open rate, reaching up to 50% in segmented campaigns.
- Instagram grown from 3K to 13K followers; LinkedIn from 2K to 12K.
- Paid media campaigns at an average CPC of about R$0.50; 27K+ monthly views on social media.
- Webinars with 68K+ YouTube views, 340K+ impressions and 13K+ watch hours.
- Greener Summit 2022–2027 (six editions, 2027 in production), a high-ticket B2B event; the 2026 edition gathered 200+ participants from 130+ companies, and its campaign reached 240K+ email views at a 31% open rate.

EXPERIENCE

Dec 2023 – Present

Head of Marketing & Design · Greener

- Leads the in-house Marketing & Design team: brand, positioning, campaigns, visual communication and strategic deliverables.
- Owns brand strategy and visual identity for products, events and B2B campaigns, including Greener Summit, Café com Investidores, Meet & Greener and the Imersão Greener series.
- Runs advanced segmentation and automation in RD Station Marketing and RD Conversas; builds automated WhatsApp and CRM journeys per product.
- Coordinates webinars, digital campaigns, email marketing, landing pages, the company website and event print; builds pages and prototypes with vibe coding (Claude Code).
- Manages the team and the communication calendar; tracks campaign and social performance and produces sponsor exposure reports; leads lead-base profiling, new personas and the RD Station forms overhaul.
- Implemented AI-assisted processes with ChatGPT and Claude for productivity and operational scale.

Mar 2023 – Dec 2023

Mid-level Marketing & Design Analyst · Greener

- Led redesign and visual identity projects for physical and digital products and brand strategies for launches.
- Built conversion campaigns for corporate events and structured lead segmentation and automation flows.

May 2022 – Mar 2023

Junior Marketing & Design Analyst · Greener

- Main designer across channels; email campaigns in RD Station; event materials; intern training.

May 2021 – May 2022

Marketing & Design Intern · Greener

- Static and motion creatives, institutional website pages and social media management.

Nov 2020 – May 2021

Design Intern · STALO

- Catalogs, promotional materials, product redesigns and visual identities.

Feb 2020 – Nov 2020

Design Intern · Dózy

- Motion design, media kits, visual identities and print for music-industry clients.

RECENT PROJECTS

Greener Summit 2026
8th edition, "The New Energy Economy": marketing, art direction, technical runsheet and sponsor exposure reports.

Imersão Greener 2026
In-person immersions LRCAP Batteries and BESS C&I Financial Modelling: identity, communication and print.

greener.com.br, Studies & Insights
Website project management, layouts and front-end via vibe coding (launched July 2025); landing pages and a sponsor web app prototype for 2027 built with vibe coding; art direction of the SED, Storage and LRCAP studies.

Events, 2022–2026
Every Greener event since 2021: Greener Summit (6 editions, incl. 2027), Café com Investidores (4), Imersão GD (2), Meet & Greener (5), Energy Storage launch, Imersão Greener (2) and the Conexão BESS webinar series.

K-pop fan banners (voluntary)
Fully illustrated banners for UAU (2025) and ChRocktikal (2026), approved by Dreamcatcher Company and raised by the crowd at the São Paulo shows; interviewed CRTK in 2026 at the invitation of producer Highway Star.
